## 1 **Aims and application**

1.1 The aims of the procedure are to deal with complaints and concerns:

- about a school.
- thoroughly; and
- in an open, honest and fair manner.

1.2 This complaints procedure is not limited to parents or carers of children who are registered at the school. Any person, including members of the public, may make a complaint about any provision of facilities or services that we provide. Part 1 of this policy outlines how parents/carers of registered students can raise a concern or complaint. Concerns or complaints from other persons will be dealt with in accordance with Part 2 of this policy. Complaints from registered students should be raised by their parents/carers.

1.3 This procedure does not apply to concerns and complaints relating to the matters listed in Annex 1.

1.4 Anonymous concerns or complaints will not normally be investigated under this procedure. The principal will determine whether there are exceptional circumstances to justify conducting an investigation into the issues raised.

1.5 All staff will be made aware of this complaints procedure and are expected to review it regularly in order that they are familiar with our process of dealing with complaints and can be of assistance when an issue is brought to their attention.

1.6 In this procedure:

- ‘complaint’ means an expression of dissatisfaction however made, about actions taken or a lack of action.
- ‘concern’ means an expression of worry or doubt over an issue considered to be important, for which reassurances are sought.
- ‘meeting’ and ‘hearing’ means an in-person or virtual meeting or hearing (i.e. telephone or video conference where all parties can participate verbally), virtual meetings/hearings will only be held if all parties have access to appropriate equipment to attend and are happy to do so.

- 'parent' means a biological parent, carer, or anyone who has parental responsibility or care for a child.
- 'school days' excludes weekends and school holidays and periods of partial or total school closure, including INSET days.

1.7 The timeframes referred to in this policy are our usual timeframes, and the school will seek to adhere to these timeframes where possible.

1.8 Reasonable adjustments will be made to this procedure where required to ensure that all complainants can access and complete this complaints procedure. For example, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

## 2 **Key principles**

2.1 The school acknowledges that raising concerns or complaints can be a difficult, emotional, and stressful time, particularly for parents and carers. We expect our staff to always be respectful and courteous when dealing with you. We also expect you to treat our staff with the same respect and courtesy. We will not accept abusive and threatening behaviour towards our staff from anybody at any time. In circumstances where this happens the school will take the action outlined in Part 3 of this policy.

2.2 The school expects all complainants to make reasonable attempts to seek an informal resolution. This will usually be the most effective way to swiftly resolve any concerns.

2.3 The school encourages parents and others to approach the school with any concerns and refrain from airing concerns about the school and its staff on social media sites. Posting negative comments on social media can cause damage and upset and is often counterproductive to student education.

2.4 To investigate your complaint properly and fairly, we have implemented a staged approach. We anticipate that almost all complaints that arise will be resolved at Stage 1 or Stage 2, as outlined below.

2.5 We expect our members of staff to be addressed in a respectful manner, and for communication to remain calm at all times. The procedure under Part 3 will only be used

on very rare occasions to deal with repetitious and/or vexatious complaints, or complaints pursued in an otherwise unreasonable manner.

- 2.6 Concerns or complaints should be brought to our attention as soon as possible. Any matter raised more than three months after the incident being complained of (or, where a series of associated incidents have occurred, within three calendar months of the last of these incidents) will not be considered unless the principal accepts that there are exceptional circumstances to justify accepting the complaint out of time.
- 2.7 Where a complaint is received outside of term time, we will consider it to have been received on the first school day following the holiday period.
- 2.8 Complaints against a pupil's suspension from school are to be sent to [governance@athenalearningtrust.uk](mailto:governance@athenalearningtrust.uk); exclusions are dealt with under the school's exclusions procedures and the relevant statutory guidance.
- 2.9 On rare occasions the school may receive complaints from a number of individuals relating to the same issue. In order to deal with these complaints efficiently, the school will follow the procedure set out in Part 4.
- 2.10 If it becomes necessary to alter the time limits and deadlines set out within this procedure, you will be advised accordingly and given an explanation as to why this has been the case and provided with revised timescales. If other bodies are investigating aspects of the complaint, for example the police, local authority safeguarding teams, or tribunals/courts, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. Where a complaint is raised but we do not have clarity from the complainant on the issues and/or desired outcomes, we will inform the complainant what information we need to progress the complaint and pause this procedure until reasonable clarity is achieved.
- 2.11 Complainants should not approach individual governors to raise concerns or complaints. They have no power to act on an individual basis and it may prevent them from considering complaints at later stages.
- 2.12 If a complainant commences legal action against the school in relation to their complaint, we will consider whether it would be appropriate to suspend the complaints procedure until those legal proceedings have concluded.

2.13 If a complainant wishes to withdraw their complaint, we will ask them to confirm this in writing.

### **3 Records of complaints**

A record will be kept of all written formal complaints, including at what stage they were resolved, and action taken by us as a result of those complaints regardless of whether they were upheld. Correspondence, statements, and records relating to individual complaints will be kept confidential except where:

- Access is requested by the Secretary of State.
- Disclosure is required in the course of an academy inspection.
- An individual has a legal right to access their own personal data contained within such documentation; or
- Under other legal authority.

## **4 Part 1: Complaints procedure for parents**

### **Stage 1: Informal concerns**

4.1 An informal concern can be raised in person, by email, or by telephone. Concerns may also be raised by a third party acting on behalf of a parent if they have appropriate authority to do so. Most enquiries and concerns can be dealt with satisfactorily without the need to resort to the formal procedure. We value informal meetings and discussions and encourage parents to approach staff with any concerns they may have and aim to resolve all issues with open dialogue and mutual understanding.

4.2 It is always helpful if you can fully explain the nature of the concern and identify the outcome you are looking for. Where appropriate, you may be invited to an informal meeting with the member of staff most appropriate for dealing with that concern. The member of staff dealing with the concern will make sure that you are clear on what action (if any) has been agreed. This may be put in writing if appropriate.

4.3 If the matter is brought to the attention of the principal, they may decide to deal with your concerns directly at this stage. If the concerns are about the principal, these should

be referred directly to the clerk to the local governing body under Stage 2: [gfahey@athenalearningtrust.uk](mailto:gfahey@athenalearningtrust.uk).

- 4.4 The school will respect the views of a parent who indicates that they would have difficulty discussing a concern with a particular member of staff. In this case, the principal will refer the parent to another designated member of staff. Similarly, if the member of staff directly involved in the circumstances leading to the concern feels the same, the principal may consider referring the parent to another member of staff.
- 4.5 Staff members should log all informal concerns on Bromcom and inform the principal of any serious concerns.
- 4.6 There is no suggested timescale for resolution at this stage, given the importance of informal discussion, although it would be expected that most issues will be resolved within 15 school days. Where no satisfactory solution has been found, you will be advised that if you wish your concerns to be considered further you should write to the principal under Stage 2 of this procedure within 15 school days.

### **Stage 2: Formal written complaints**

- 4.7 If your concerns are not resolved under Stage 1, you are entitled to put your complaint in writing and send this to the principal of the school, or use the form at the end of this procedure found in annexe 2. Please use 'complaint' as the subject of your email or mark it clearly on your letter. This will ensure that your correspondence gets the priority it deserves from a large volume of communications the school receives each day.
- 4.8 It is very important that you describe your complaint clearly and include a clear statement of the actions that you would like us to take to resolve your complaint. We strongly encourage you to use the complaint form provided at Annex 2 of this procedure. If you require help in completing the form, please contact the academy office. You can also ask third party organisations like the [Citizens Advice](#) to help you. In all cases your written complaint must include:
  - The nature of the complaint.
  - Details of how the matter has been dealt with so far.

- The names of potential witnesses, dates and times of events and copies of all relevant documents; and
  - A clear statement of the actions that you would like us to take to resolve your complaint.
- 4.9 Your complaint will normally be acknowledged in writing within five school days of receipt. The acknowledgement will give a brief explanation of the school's complaints procedure and a target date for providing a response to the complaint. This will normally be within 15 school days of receipt.
- 4.10 If appropriate, the principal (or someone appointed by them) may invite you to a meeting to clarify your complaints and to explore possible resolutions. If you accept that invitation, you may be accompanied by one other person, such as a friend, relative or interpreter, to assist you. Where possible, this meeting will take place within 10 school days of receipt of the written complaint.
- 4.11 If necessary, witnesses will be interviewed, and statements taken from those involved. If the complaint centres on a student, the student will usually be interviewed. Students will normally be interviewed with their parent present, but if this would seriously delay the investigation of a serious or urgent complaint or if the student has specifically said that they would prefer that their parents were not involved, another member of staff with whom the student feels comfortable will be present. If the matter includes a complaint relating to a member of staff, the member of staff will have the opportunity to respond to the complaint.
- 4.12 Once the relevant facts have been established as far as possible, you will be provided with a written response to the complaint, including an explanation of the decision and the reasons for it. This will include what action will be taken to resolve the complaint (if any). You will be advised that if you are dissatisfied with the outcome of the complaint, you may request that your complaint be heard by the complaints committee under Stage 3 of this procedure.
- 4.13 The school may engage an independent, external person to carry out the investigation into the Stage 2 complaint, or to review the investigation and response at Stage 2. This may be appropriate where the complaint is particularly complex or involves legal issues.

**Q. What if the complaint is about the principal, or the principal has already considered your complaint under Stage 1?**

In these cases, your complaint should be sent to the clerk of the local governing body, who will arrange for a governor to carry out the Stage 2 procedure.

**Q. What if the complaint is about a governor of the local governing body?**

Complaints about the chair of governors, or any individual governor should be addressed to the clerk of the local governing body: [gfahey@athenalearningtrust.uk](mailto:gfahey@athenalearningtrust.uk). Please mark them as private and confidential. The clerk will arrange for another governor with no connection to the complaint to investigate the concerns in accordance with Stage 2.

If the complaint is about the clerk of the local governing body or the local governing body as a whole, you should send your complaint to the clerk of the trustees: [gfahey@athenalearningtrust.uk](mailto:gfahey@athenalearningtrust.uk) who will then determine the most appropriate action with regards to Stage 2 and Stage 3.

**Q. What if your complaint is about the clerk?**

If the complaint is about the clerk, your complaint should be sent to the chair of the local governing body via the school.

Please be aware that where your complaint relates to an employee, a copy of the complaint may be shared with them in order to investigate the issues raised.

**Stage 3: Referral to the complaints committee**

4.14 If you are dissatisfied with the decision under Stage 2, you may request that a complaints committee be convened to consider your complaint. The complaints committee will principally consider how the complaint was handled at the previous stages but has discretion to review other aspects of the complaint as it sees fit. The complaints committee will not review any new complaints at this stage or consider evidence unrelated to the initial complaint. New complaints must be dealt with from Stage 1 of the procedure.

- 4.15 To request a hearing before the complaints committee, you should write to the clerk of the governing body (“**Clerk**”) within 15 school days of receiving notice of the outcome of Stage 2. Requests received outside of this timeframe will only be considered if exceptional circumstances apply. You should ensure that you provide copies of all relevant documents and state all the grounds for your complaint and the outcome that you are looking for.
- 4.16 Your written request will be acknowledged within five school days of receipt.
- 4.17 The Clerk will arrange for a complaints committee to be convened, made up of at least three committee members, including:
- Two governors of the local governing body with no prior involvement in the matter; and,
  - One person who is independent of the management and running of the school (for example, this might be a governor from another school within Athena Learning Trust, a governor from another local school or another individual who has no link to the school).

The Clerk shall appoint one of these committee members to be the chair of the complaints committee.

- 4.18 Every effort will be made to enable the hearing to take place within 20 school days of the receipt of your request. As soon as reasonably practicable and in any event at least five school days before the hearing, you will be sent written notification of the date, time, and place of the hearing, together with brief details of the committee members who will be present. Fair consideration will be given to any bona fide objection to a particular member of the complaints committee.
- 4.19 If, despite best efforts, it is not possible to find a mutually convenient date and time for a hearing within a reasonable timeframe, the Clerk may determine that the hearing proceeds on the basis of written submissions from both parties.
- 4.20 You have the right to be accompanied to the hearing by a friend, relative or interpreter. You should notify the Clerk in advance if you intend to bring anyone to the hearing. We do not encourage either party to bring legal representatives to the complaints committee hearing. Representatives from the media are not permitted to attend. The complaints

committee itself may take legal advice and/or be supported by a legal advisor at the hearing on matters of law and procedure.

- 4.21 A copy of the complaint and any other documents provided by you in support of your complaint, will be provided to the complaints committee as soon as practicable upon receipt. Copies of these documents shall also be provided to you at least three school days before the hearing. The complaints committee reserves the right not to consider any documentation presented by either party less than three school days prior to the hearing. The complaints committee is under no obligation to hear oral evidence from those other than the parties (e.g. witnesses) but may do so and/or may take written statements into account. The complaints committee will not normally accept recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.
- 4.22 The hearing will be conducted to ensure that each party has the opportunity to address the complaints committee. The procedure to be followed during the hearing will be explained to the parties by letter in advance of the hearing. The Clerk will ensure that sufficient notes are taken to record an accurate reflection of the points considered and any decisions taken, or actions agreed. Electronic recordings of the hearing will not normally be permitted and, in any event, would require the consent of all those present.
- 4.23 Unless otherwise stated, the procedure for the Stage 3 hearing is as follows:
- The parent and any school representative will enter the hearing together.
  - The chair of the complaints committee will introduce the committee members and outline the process.
  - The parent will explain the complaint.
  - The school representative and committee members will question the parent.
  - The school representative will explain the school's actions.
  - The parent and the committee members will question the school representative.
  - The parent will sum up their complaint.
  - The school representative will sum up the school's actions.

- The chair of the complaints committee will explain that both parties will hear from the committee within five school days.
  - Both parties will leave together while the complaints committee decides.
  - The Clerk, and any legal advisor assisting the complaints committee (if applicable), will stay to assist the complaints committee with its decision making.
- 4.24 The Clerk and/or complaints committee reserves the right to modify the above procedure at their sole discretion, for example requiring the parent and the school representative to present their complaint/actions separately to the complaints committee in the absence of the other party.
- 4.25 If the complainant has not arrived by the start of the complaints committee, the Clerk will attempt to contact the complainant via telephone to ascertain if they are delayed, have chosen not to attend, or wish to withdraw their complaint. If the Clerk is unable to speak with the complainant, or if the complainant confirms that they have chosen not to attend, the hearing will proceed in the complainant's absence 30 minutes after the scheduled start time. Findings and recommendations will be based on the written submissions previously provided by both parties.
- 4.26 A complaints committee may be adjourned if the complaints committee requires further evidence, or in exceptional circumstances (for example, if clarification sought by the complaints committee is essential to the proceedings). The adjourned date must be as soon as possible.
- 4.27 After the hearing, the complaints committee will consider their decision and inform you and, where relevant, the person complained about of their decision in writing within five school days. The letter will set out the decision of the complaints committee together with the reasons underpinning that decision. The complaints committee can (by a majority if necessary):
- Dismiss the complaint in whole or in part.
  - Uphold the complaint in whole or in part.
  - Recommend appropriate action to be taken to resolve the complaint.
  - Recommend changes to the school's systems or procedures to ensure that problems of a similar nature do not happen again.

#### **Stage 4: Referral of complaint to the Department for Education (DfE)**

- 4.28 If you are dissatisfied with the decision of the complaints committee, you are entitled to refer your complaint to the Department for Education (DfE). The DfE will only investigate the complaint in limited circumstances.
- 4.29 For more information on the DfE's remit in relation to academy complaints, visit: <https://www.gov.uk/government/publications/complain-about-an-academy/complain-about-an-academy>

### **5 Roles and responsibilities**

#### **5.1 The role of the Clerk of the governing body**

The Clerk is the contact point for the complainant and the complaints committee, and should:

- Ensure that the complainant is fully updated at each stage of the procedure.
- Liaise with staff, principal, chair of governors of a school and chair of the governing body to ensure the smooth running of the complaints procedure.
- Be mindful of the timescales for responding to complaints.
- Ensure that all people involved in the complaints process are aware of their legal rights and duties, including any under legislation relating to school complaints, education law, the Equality Act 2010, the Freedom of Information Act 2000, the Data Protection Act (DPA) 2018 and the General Data Protection Regulations (GDPR).
- Ensure that the complaints committee has access to legal advice, where appropriate.
- Set the date, time, and venue of the hearing, taking reasonable steps to find a date that is convenient to all parties and that the venue and proceedings are accessible.
- Collate any written material relevant to the complaint (for example: Stage 1 paperwork, school and complainant submissions) and send it to the parties in advance of the hearing within an agreed timescale.

- Minute the hearing.
- Notify all parties of the complaints committee's decision.
- Draft the letter of outcome for the complaints committee and ensure it accurately reflects the committee's decision.

## 5.2 **The role of the principal (or other party investigating as applicable in accordance with the procedure) at Stage 2**

- To ensure that the complainant is fully updated throughout the Stage 2 procedure.
- To ensure that the correct procedure has been followed.
- To ensure that an investigation is carried out, and a report compiled.
- To meet the complainant, if appropriate.
- If the complaint is being referred to Stage 3, notify the Clerk of the governing body to arrange the complaints committee.

## 5.3 **The role of the chair of the complaints committee**

The chair of the complaints committee has a key role, ensuring that:

- The hearing is conducted in an informal manner, is not adversarial, and that, if all parties are invited to attend, everyone is treated with respect and courtesy.
- Complainants who may not be used to speaking at such a hearing are put at ease.
- The remit of the complaints committee is explained to the complainant;
- The written material is seen by everyone in attendance (provided it does not breach confidentiality or any individual's rights to privacy under the DPA 2018 or GDPR).
- Key findings of fact are made, and that any issues not previously mentioned in writing should not be raised at the hearing and, if they are mentioned at the hearing, these should not be noted or considered by the complaints committee.
- Both the complainant and the school are given the opportunity to make their case, and seek clarity, either through written submissions ahead of the hearing, or verbally in the hearing itself.

- The complaints committee is open-minded, acts independently, and no committee member has an external interest in the outcome, or any involvement in an earlier stage of the procedure.
- The hearing is minuted.

## 6 **Part 2: Concerns or complaints from other persons**

Part 1 of this complaints policy applies only to complaints made by parents or carers of current registered students of the school. However, the school wishes to work closely with other members of the local community, and will deal with their concerns and complaints as follows:

- 6.1 **Stage 1** - a concern regarding the school or its operations may be made to any member of staff. That member of staff will attempt to resolve the matter immediately or may, if appropriate, refer the matter to their line manager or member of the senior leadership team (SLT) who is best placed to deal with the concern. It is expected that most concerns will be responded to orally or in writing within five school days. If a longer period is required, you will be kept informed of the progress of the investigation.
- 6.2 **Stage 2** - where a concern is not resolved at Stage 1, or you wish your concerns to be dealt with immediately as a formal complaint, you should put your complaint in writing and send this to the principal to investigate. The principal may delegate the task of investigation and/or responding to the complaint to a member of SLT or may escalate the complaint straight to Stage 3. A formal response to the complaint will usually be provided within 15 school days of receipt of the letter of complaint, although if a longer period is required to respond, you will be kept updated.
- 6.3 **Stage 3** - if you are not satisfied with the response at Stage 2, you may request a review by writing to the Clerk of the local governing body of the school. You should write to the Clerk of the local governing body within 15 school days of receipt of the letter at Stage 2. Requests received outside of this timeframe will only be considered if exceptional circumstances apply. The Clerk of the local governing body will usually arrange for a governor to consider the complaint alone. The decision at this stage will usually be sent to you within 15 school days of receipt of the request for a review.
- 6.4 **Stage 4** - if you are dissatisfied with the decision at Stage 3, you are entitled to refer your complaint to the Department for Education as outlined in Part 1 of this complaints policy.

Concerns or complaints regarding the principal or the school should be referred direct to the Clerk c/o [gfahey@athenalearningtrust.uk](mailto:gfahey@athenalearningtrust.uk), who will arrange for the stages above to be considered by an appropriate person.

### **Part 3: Repetitious and vexatious complaints and complaints pursued in an otherwise unreasonable manner**

There are rare circumstances where we will deviate from the Complaints Procedure set out in Parts 1 and 2. These include, but are not necessarily limited to:

#### **6.5 Repetitious, including serial and/or persistent, complaints**

Where the complainant's complaint is the same, similar to, or based on the same facts of a complaint which has already been considered in full and we have:

- Taken every reasonable step to address the complainant's concerns; and
- Given the complainant a clear statement of our position and their options.

We will write to the complainant to advise that the complaints procedure has been exhausted, and that we will not be responding to any further correspondence in relation to these matters. The complainant will be referred to Stage 4.

#### **6.6 Vexatious complaints**

The Office of the Independent Adjudicator defines the characteristics of a 'frivolous' or 'vexatious' complaint as:

- Complaints which are obsessive, persistent, harassing, prolific or repetitious.
- Insistence upon pursuing unmeritorious complaints and/or unrealistic outcomes beyond all reason.
- Insistence upon pursuing meritorious complaints in an unreasonable manner.
- Complaints which are designed to cause disruption or annoyance.
- Demands for redress that lack any serious purpose or value.
- Examples include but are not limited to:
  - Refusal to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance.
  - Refusal to co-operate with the complaint's investigation process.
  - Refusal to accept that certain issues are not within the scope of the complaints procedure.

- Insistence on the complaint being dealt with in ways which are incompatible with the complaint's procedure or with good practice.
- Introducing trivial or irrelevant information which they expect to be taken into account and commented on.
- Raising large numbers of detailed but unimportant questions, and insist they are fully answered, often immediately and to their own timescales.
- Making unjustified complaints about staff who are trying to deal with the issues and seeks to have them replaced.
- Changing the basis of the complaint as the investigation proceeds.
- Seeking an unrealistic outcome, such as the inappropriate dismissal of staff.
- Making excessive demands on school time by frequent, lengthy and complicated contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.
- Knowingly providing falsified information.
- Publishing unacceptable information on social media or other public forums.

#### 6.7 **Complaints pursued in an otherwise unreasonable manner**

Where the complainant's behaviour or language towards staff or governors is aggressive, abusive, offensive, discriminatory or threatening or insulting personal comments are made about, or threats are made towards, staff.

In the circumstances outlined in (2) and (3) above, we may:

- Inform the complainant that we consider their complaint to be vexatious or the manner in which they are pursuing their complaint to be unreasonable and why and ask them to desist.
- Conduct the complaints committee on the papers only, i.e. not hold a hearing.
- Refuse to consider the complaint any further and refer the complainant directly to Stage 4.

We may also restrict the complainant's access to the school, e.g. requesting contact in a particular form (for example, letters only), requiring contact to take place with a named person only, restricting telephone calls to specified days and times or number of contacts, or banning the complainant from the school's premises in line with our Parent Code of Conduct.

Where the complainant's behaviour is so extreme that it threatens the immediate safety and welfare of staff or governors, we will consider other options, for example, reporting the matter to the police, or taking legal action. In such cases, we may not give the complainant prior warning of that action.

#### **Part 4: Complaint campaigns**

For the purposes of this policy, a complaint campaign is defined as a complaint from three or more separate individuals (whether or not connected with the school), which are all based on the same subject.

Depending on the subject in question, we may deviate from the procedure set out in this policy and instead:

- Send a template response to all complainants; and/or
- Publish a single response on the school's website.
